

Civil Society and Article 24

Europe in Action
Lisbon, Portugal
May 27, 2016

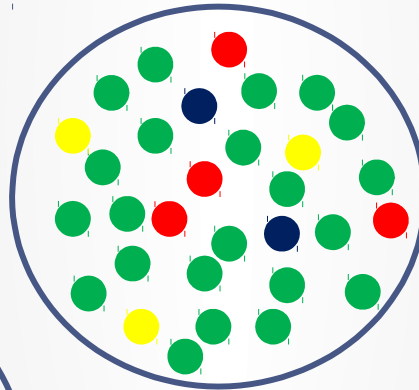

Inclusive Education

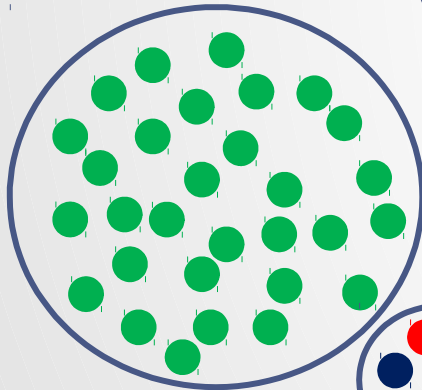

Integration

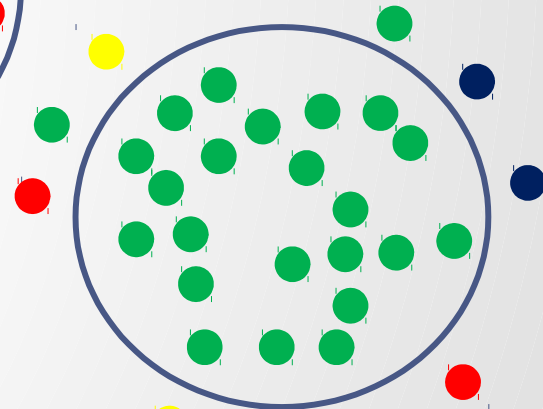

Assimilation

Inclusion

Segregation

Exclusion

Open Society Foundations Recommendations

Governments must have
concrete action plans

Data, indicators and
accountability

Open Society Foundations Recommendations

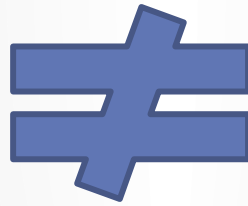

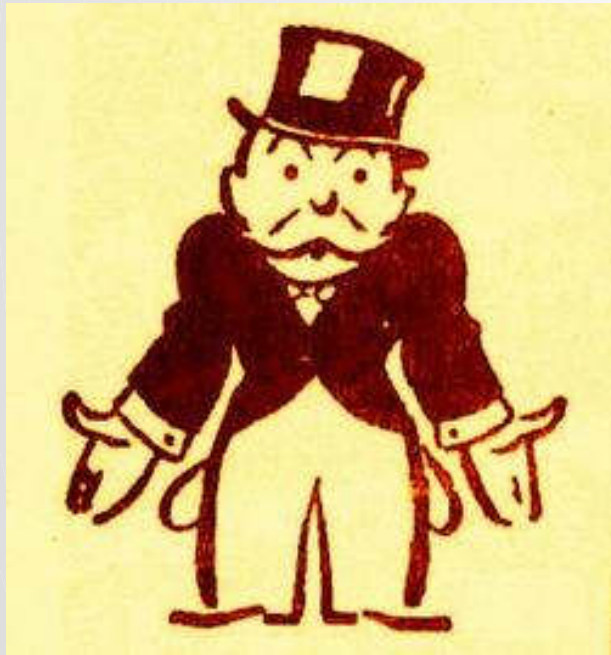

Ministries of Education
responsible for all

Early intervention & ECD

Open Society Foundations Recommendations

Resource constraints is not an argument for
excluding children

Support to Civil Society

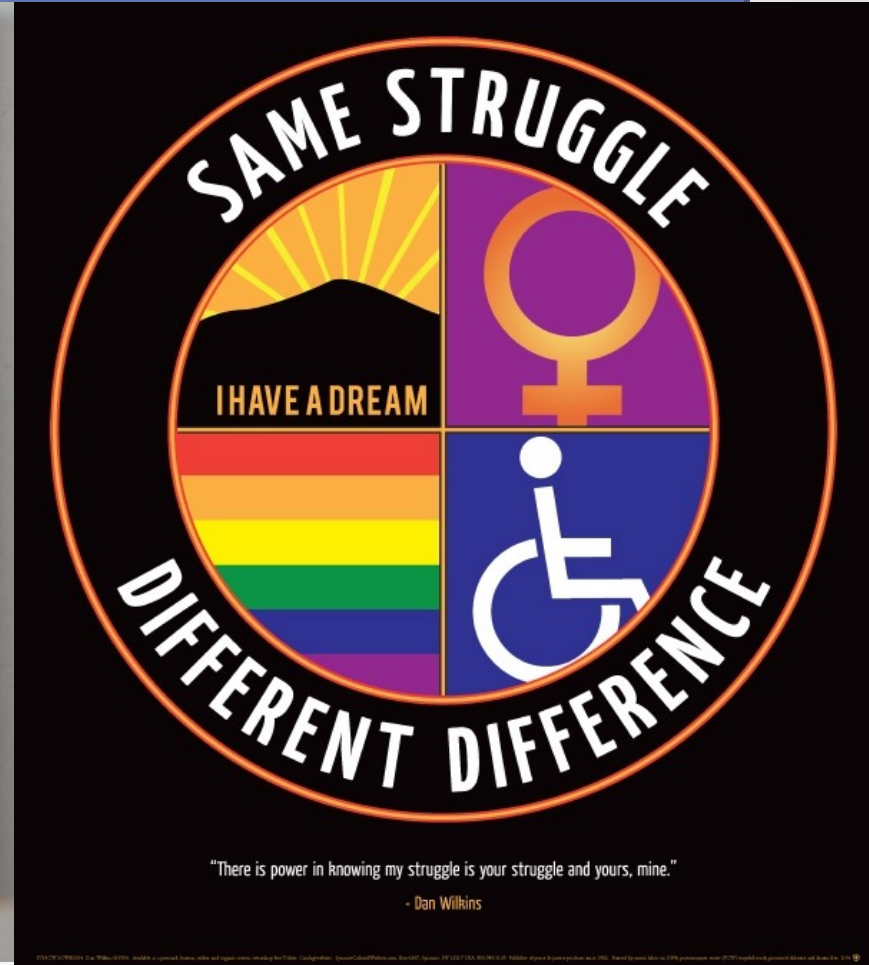

Funds for Shadow Reports

Support to Civil Society

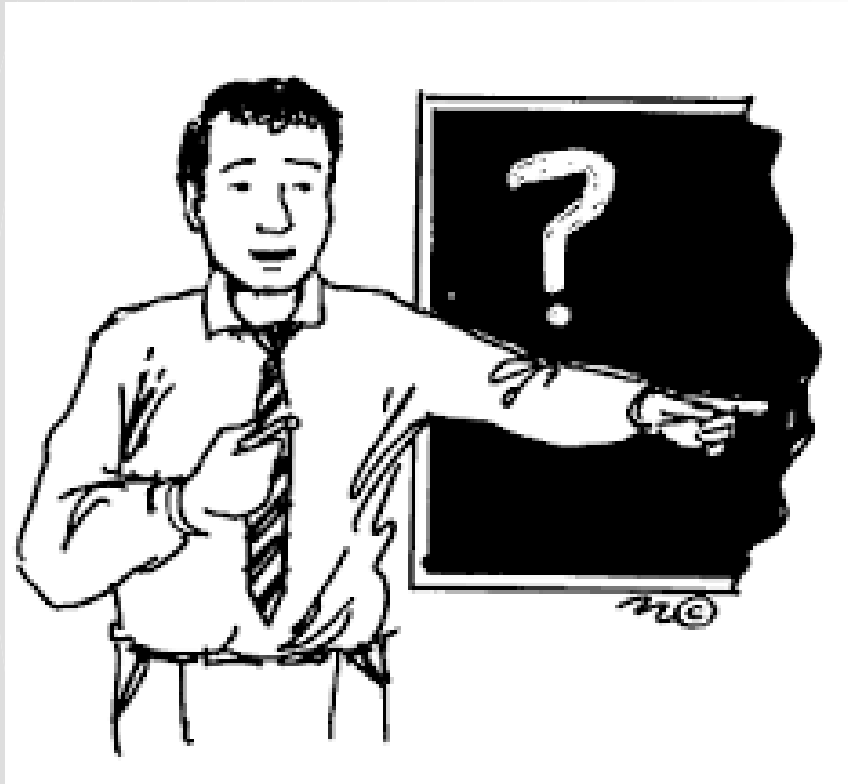

Learning experiences: meetings & webinars

Support to Civil Society

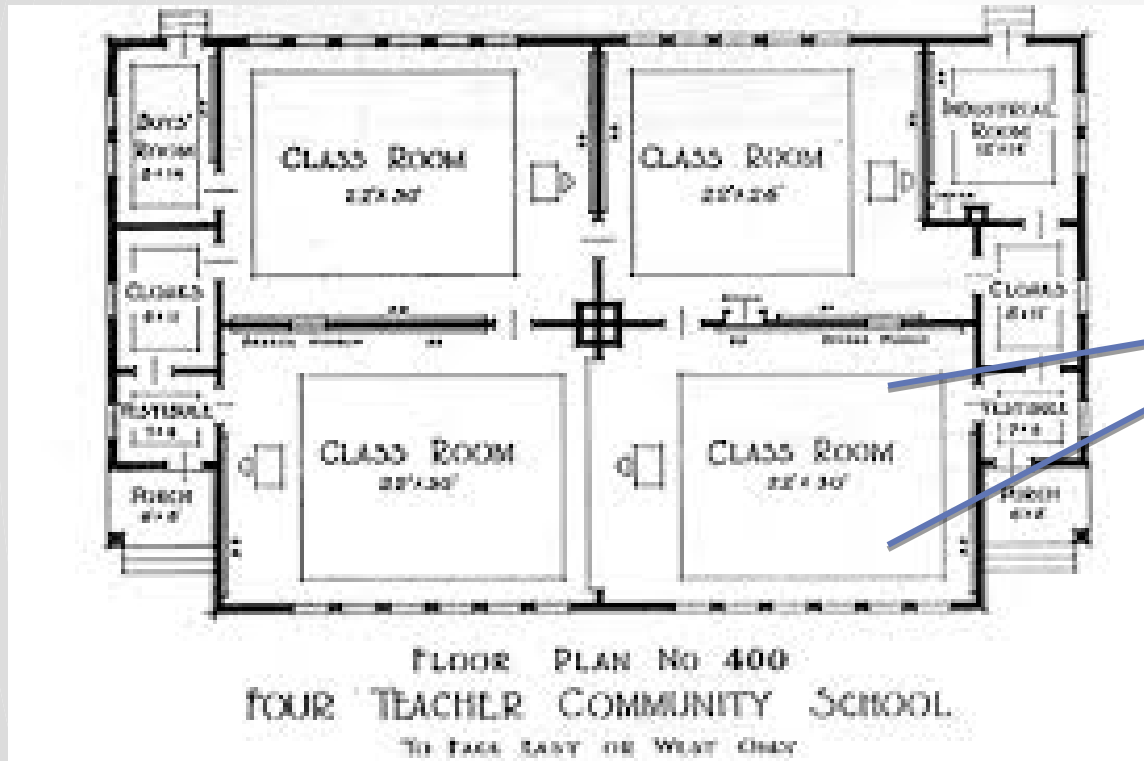

Support for organizing

Concerns about the draft General Comment

Focus on teachers excludes others working in schools

Concerns about the draft General Comment

Not clear enough that segregation from mainstream education is discrimination

Concerns about the draft General Comment

Too little emphasis on early years
