## Languages

We will have translation between English and German.

If you need more translation, your support person will need to translate.

## Pictures and videos during the conference

During the conference we will be taking photos and making videos.

You can tell us if you do not want us to publish a photo or video of you.

You can tell us when you register online.

Then we will give you a sticker when you come to the registration desk at the conference.

The sticker is a small red dot.

You need to wear the sticker during the conference.

We will not publish a photo or video of people who wear the sticker.

If you don't mind that we publish a photo and video of you, you don't need to do anything.

The EU makes laws in different areas.
